THE VEGETABLE PILLS,

Prepared by the Graefenberg Company, Were compounded after long study and observation of the laws of nature, and a close reflection upon the properties of different medicinal agents, so that taken together, they should form a pill which would act in harmony with these laws, and aid nature herself to work a cure. We must observe that when the body is diseased, the various organs composing the vital system make effort to throw off the disorder, and it is to aid these organs in their work that medi-cine is designed. The remedies too often used will not do

CARTER'S SPANISH MIXTURE. The Great Purifier of the Blood! NOT A PARTICLE OF MERCURY IN IT.

Let the Afflicted Rend and Ponder.

Obstinate Cutaneous Eruptions, Finples or Postules on the Face, Blotches, Boils, Ague and Fever, Chronic Fore Eyes, Ring Worm or Tetter, scald Head, Enlargement and Pair of the Bones and Joints, Stabborn Ulters, Syphilitic Disorders, Lumbago, Spinal Cemplaints, and all Diseases arising from an Injudicious Use of Mercury, Imprudence in Life, or Impurity of the Blood.

11 His great alterative medicine and Purifier of the Blood is now used by thousands of grateful assigns to the Blood. This specine is so harmless that it may be taken by persons of every age, sex or condition, and it will not substitute for one disease others still worse, as is too often the result in the treatment by Quinine, Mercury, Arsenic, and other poisonous or deleterious drugs, not a particle of any of which is admitted into this preparation.

The proprietor distinctly claims these extraordinary results from the use of this NATURAL ANTIDOTE TO MALAHIA.

It will entirely protect any resident or traveler even in the most sickly or swampy localities, from any Ague or Biltous discusse whatever, or any injury from constantly inhaling Malaria or Miasma.

It will instantly check the Ague in persons who have suffered for any length of time, from one day to twenty years, so that they need never have another chill, by continuing its use according to directions.

It will immediately relieve all distressing results of Biltone in the most series of the Liver and Ridneys, so that they need never have another chill, by continuing its use according to directions. It will immediately relieve all distressing results of Billious or Ague diseases, such as general distilling in the recover appetite and strength, and continues until a pernanent and radical cure is effected.

For the hance, we does of Castan's Spanish Mixture metics ever used. A few does of Castan's Spanish Mixture will remove all sallowness of complexion, bring the roses mantling to the cheek, give elasticity to the step, and improve the general health in a remarkable degree, beyond all the medicines ever heard of.

The large number of certificates which we have received from nersons from all parts of the United States, is the best

and all classes. Farmers and all laboring men, by adopting it as a preventive, will be free fr m Ague or Bilious attacks in that sesson of the year which, while it is the most sickly, is the most valuable one to them.

One or two bottles will answer for ordinary cases, some Directions printed in German, French and Spanish, accompany each bottle
